

Deal 'em on down									
I'm grinding it out tonight									
I'm standing my ground									
<b><u>MIDDLE SECTION</u></b>									
Right about 2am									
The flop gives me the wheel									
I'm holding both the high and the low									
This pot big slick ain't gonna steal									
<b><u>CHORUS 3</u></b>									
Shuffle 'em up									
Deal 'em all down									
I'm grinding it out tonight									
I'm standing my ground									
<b><u>CHORUS 4</u></b>									
Listen up son									
I'm going all in									
Cos I got the nuts									
There ain't no chance in hell you'll win
